

## Directions to Bangor Grammar School

From Belfast:

The route from Belfast to Bangor follows a straight road, mostly dual carriageway, known as the A2 (Bangor Road).

As you enter Bangor, continue straight along the A2 (Bangor Road) which changes to the Belfast Road, approximately 0.5 miles outside Bangor Town Centre. Follow the Belfast Road straight onto Abbey Street, indicated on map below as point (1).

At the roundabout, take the second exit (1<sup>st</sup> exit is into Bus and Train Station) and drive towards the next roundabout, again taking the second exit onto Main Street - indicated on map below as point (2).

Drive down Main Street to the bottom of the hill, staying in the right hand lane and bearing onto Quay Street, then around onto High Street – indicated on map below as point (3).

Take the left hand lane up High Street to the top of the hill where you will see a Maxol Petrol Station at a fork in the road, as indicated on map below as point (4). Bear to the left at this fork onto Ballyholme Road and then take the first road on the left, College Avenue (map point (5) below).

Drive up College Avenue taking the second entrance into the school on the left hand side which is signposted “Main Entrance” (map point (6) below). This entrance will bring you into the school car park where some parking spaces should be available for your use. The main doors into the school are clearly visible, approximately half way down the main school building.
